Re: Bid Proposal for Metal Security Doors 14SW-01-DOOR

To Whom It May Concern:

Temple Beth El Israel, Inc will be accepting bid proposals for the above referenced project. Bids must be received by no later than 10/30/2023 at 5:00 PM Close of Business PM. Bids received after this date and/or time will not be accepted and will be returned unopened to the sender.

The purpose of this project is to: Install 8 exterior metal security doors in a Temple to be reinforced for impact resistance with frames, hardware, push bars, door closers, and deadbolt locking devices to replace the current glass and wood doors in order to increase resistance, reduce impact, obtain physical security, deter, and delay a forced entry by criminal activity or attack, and assist in preventing advanced reconnaissance and planning of an attack. Key components of this project include:

SPECIFICATIONS:

Provide 8 metal exterior security doors that are reinforced for impact resistance that will deter and delay a forced entry by criminal activity or attack and assist in preventing advanced reconnaissance and planning of an attack. All 8 metal security doors should have push bars, door closers, and electric and non-electric deadbolt locking devices to replace existing electric and non-electric deadbolt locking devices if current devices are not compatible and provide proper frame and door accessory kits. The 8 security doors should match interior and exterior color and basic design aesthetic to a Temple environment.

Four (4) exterior security doors are to be installed in the Social Hall. Social Hall doors are 2 sets of double doors and each set of double doors measures approximately 85" tall and 74" wide and measurements do not include the frame.

Four (4) exterior security doors are for the main entrance into the lobby. The doors are 2 sets of double doors overall measuring 135" wide and 82" high and measurements do not include the frame. The vendor should measure all exterior doors for accurate size. The 4 main entrance lobby doors each will have a fire and impact safety rated glass window that is filmed or wired, and provides natural light and viewing. The Social Hall doors will not have any windows in the door.

To receive the full bid package, interested bidders MUST schedule a site visit by contacting Michael Vesey at 1-772-353-5875. Visits will be scheduled between 10/02/2023 and 10/16/2023 at Temple Beth El Israel Inc., 551 SW Bethany Drive, Port Saint Lucie, Florida 34986.
